Your Excellency

**CONGRATULATORY LETTER ON THE 2ND ANNIVERSARY OF THE  
GOLDEN INITIATIVE FOR ALL (GIFA)**

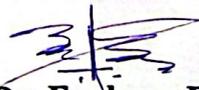

It is with immense joy and a deep sense of admiration that I, Bishop Enobong Essien, on behalf of the entire team and volunteers of the Enobong Essien Help Foundation, write to warmly congratulate Your Excellency on this momentous occasion of the Second Anniversary of the Golden Initiative For All (GIFA).

Over the past two years, GIFA has lived up to its name as a truly "Golden" initiative, standing as a shining beacon of hope and a testament to your unwavering commitment to the welfare of the most vulnerable in our society. Through the provision of free compassionate homes to those in need, community projects consistent advocacy towards the eradication of gender-based violence you have strengthened the life and safety of women and children in Akwa Ibom State.

As a foundation that shares a kindred spirit of service, the Enobong Essien Help Foundation is proud to have keyed into this golden vision. We have contributed our quota through the empowerment of widows by providing business grants and startup capital, enabling them to become self-reliant and financially stable. Most notably, constructed and handed over a complete house to a widow, ensuring she has a safe and secure place to call home. Today also we are visiting your office with our little contribution of relief aid materials for the vulnerable and indigent members of the society. This is our little way of celebrating with GIFA on this auspicious anniversary.

We pray that the Almighty God continues to grant you sound health, wisdom, and divine strength as you continue to touch lives and write a golden chapter in the history of our state. May the Golden Initiative for All (GIFA) continue to flourish and reach even greater heights in the years to come.

Thank you

**Bishop Dr. Enobong Essien**  
President
