## ON GIFA'S 2ND ANNIVERSARY

As GiFA marks two impactful years, I extend my heartfelt appreciation to the Coordinator and the Office of the First Lady, led by the Noble Lady, Helen Eno Obareki, for keeping the vision alive and ensuring that the dream of our dear mother, Pastor Mrs. Patience Umo Eno, continues to bear fruit.

Because of GiFA, children can smile again, women can feed their families, and the vulnerable can access healthcare, clothing, and sustainable livelihoods. Lives have been touched in ways that truly matter.

I also sincerely appreciate **His Excellency, Umo Eno, PhD**, Governor of Akwa Ibom State, for his unwavering support, which has enabled GiFA to extend the gains of the ARISE Agenda to those who need it most.

At two years, GiFA stands as proof that compassion, backed by leadership, transforms lives.

## Congratulations!
